

We increase Vital Leaders through equipping them to make new disciples:

- Start New Congregations, New Worship Services, and New Mission Outposts.
- Engage them in CliftonStrengths discovery and application.
- Go to [www.igrcreach1000.org](http://www.igrcreach1000.org) to see ways in which you can engage to Create New Places for New People. Make sure to look at the Prairie Fire videos to equip people to start gatherings which reach unconnected people.
- Want to get started right away? Contact Mike Crawford to find out more information about equipping opportunities and grant possibilities for Reach 1,000.

We increase Vital Churches by helping them become better disciples:
