P O Box 19207
Springfield, IL 62794-9207

Your church is invited to obtain a yearly membership to the United Media Resource Center!
Your church members will have access to the thousands of Christian education, leadership, and spiritual growth resources in our collection.

Have you purchased resources that are just sitting on a shelf?
Do you have resources that are good but were too expensive?
Would you like to use resources but can't afford to purchase them?
Don't buy what you can borrow!
Be a good steward of your church's budget and join our lending library!

The membership fee for churches of non-supporting denominations is based on total church membership (not worship attendance):

Church membership:	
under 200	\$ 75
201 – 500	\$100
501 & up	\$125

The church is also responsible for postage costs and will be billed periodically for postage reimbursement.
