Conference Leadership

Richard Rhodes

Fire in the Mountains Ministry is the result of a prophetic word spoken over Richard that he would birth a new ministry that would sweep the mountains like fire, with people saved, healed, delivered, and set free in Jesus' name. Richard says where he goes he expects life-changing experiences, signs and wonders in his ministry. God has done just that over the past 10 years, and churches catch the fire again; the way Wesley did, empowering and equipping people for ministry.

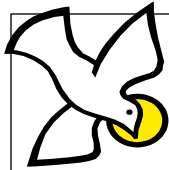

Richard, known for his "holy boldness" is a Certified Lay Speaker of 18 years in the Methodist Church, and a member of the United Methodist Evangelist Association. His passion is teaching and imparting the gifts of the Holy Spirit, seeing God's children empowered to be in ministry

Rev. Matt Henson

An energetic, dynamic, vision-casting adventurer for Jesus describes Matt. Matt brings a fresh perspective and energy to the church and its ministry. Specializing in Youth/Young Adult Ministry, Evangelistic Preaching, and Mission Experiences, Matt uses his experience and passion to proclaim the message of Jesus Christ to all people. While at Asbury Theological Seminary in Wilmore, KY, he served as Campus Life Director (Youth for Christ), and has served as Associate and Youth Pastor, Senior Pastor and now as Executive Director and Lead Evangelist for Living the Adventure Ministries.

Matt's preaching style engages people in a relevant, transforming way; inviting people to live the adventure, calling people of all ages to go beyond religious beliefs to the place of a risk taking faith that fully trusts in Jesus Christ for everything a person needs.

The John Wesley Fellowship of IL is pleased to be in covenant relationship with Aldersgate Renewal Ministries (ARM). Our common purpose is to help bring renewal to The United Methodist Church through the person & work of the Holy Spirit. (For information on ARM go to www.aldersgaterenewal.org)

**Information about
The Conference**

Our purpose as our Articles of Incorporation state, "To encourage renewal and revival within the United Methodist Church by bringing together United Methodist evangelicals for identity, mutual support, Christian fellowship, Biblical teaching and inspiration, to sponsor events throughout the state periodically, to provide for inspirational and learning experiences in the tradition of the Wesley's, that we might recognize our rightful heritage and work together to strengthen and improve the United Methodist Church and our own personal walk with Christ." The John Wesley Fellowship of Illinois (JWF) is not funded by any Annual Conference budget but only by gifts from persons interested in wider development and encouragement of the moving power of the Holy Spirit and lively evangelism.

Registration

Early Registration helps staff handle walk-in registrations easier. Mailing after April 10th may not arrive in time to prepare registrant's badges; thereafter just register at the registration table upon arrival.

The \$20 registration fee is purposely minimal. Offerings will be received during the conference to help cover the cost of the conference.

On arrival, pick up the schedule and your name badge; it indicates your participatory registration.
