

A plan for IGRC churches to save lives

Preparation

- Assemble your Imagine No Malaria team: 3-4 people
- Ask leadership to first make Impact 100 to demonstrate their support
- Determine a goal
- Consider setting up a net display in the church

Begin INM Pulpit Announcements and Bulletin Inserts

- Introduce the theme on week 1
- Start INM announcements and bulletin inserts on week 1
- Share the INM ministry with Sunday School classes using videos and resources

Host Impact 100 Events

- Offer members the opportunity to impact 100 lives with a pledge of just \$28 a month – less than \$1 a day
- Small, in-home receptions or personal requests are best
- Impact 100 will enable your church to reach your INM goals!

Sunday to Save Lives

- Worship resources are available to help plan your special Sunday. Donation/pledge envelopes may be ordered free of charge from Imagine No Malaria.
- Encourage members of your congregation to make the commitment to save 100 lives through Impact 100

Wrap up/ continue The Movement

- After your Sunday to Save Lives, be sure to immediately count and submit your funds raised so they may be celebrated at Annual Conference!
- Continue the movement by participating in conference initiatives leading up to Annual Conference.

END RESULT lives saved and tomorrow's future is saved
for the Glory of God our Father.
