

WEEK SIX – Worksheet: The Spirit Filled Life **Bishop Frank J. Beard**

Read John 14: 15-20

What do we learn about the Holy Spirit in these verses?

What is the role of an advocate?

Read Ephesians 5: 15-20

Discuss the statements below:

- Being filled with the Holy Spirit is not a one-time experience.
- Being filled with the Holy Spirit is not a watershed event or experience to be remembered, but rather a lifestyle to be cultivated and maintained.
- Being filled with the HS is a launching pad and not a place of arrival.
- To be filled with the Holy Spirit is to be filled with Jesus Christ.

How do you maintain a spirit-filled life?

Review and discuss the suggested tools below:

- Develop a Prayer Life
- Study God's Word
- Get to Know Jesus
- Look for ways to Serve (discover your spiritual gift)
- Get Connected with Other Spirit-filled Christians.
- Seek Christlikeness (Holiness)
- Look Under the Leaves for Fruit!

In addition to the tools listed above, what suggestions would you offer that could assist Christians in maintaining a spirit-filled life?

Spend some time discussing the following:

- What one new thing have you learned during this study?
- What has challenged you the most?
- What do you believe Christ would say to your church about the person and work of the Holy Spirit?

Conclude your time by reading Acts 1:8 and the praying with one another.
